WOMEN'S BREAKFAST

Hosted by New Faces New Voices

May 18th, 2022

WOMEN IN FINANCE

Mondato Summit Africa welcomed over 50 women for a session on “Promoting Female Leadership Across the Financial Sector”

AWARDS WINNER

THE MONDATO AWARD FOR DIGITAL FINANCE INNOVATION IN AFRICA

Congratulations to Paycode, the Mondato Award Winner for Digital Finance Innovation in Africa for 2022!

THE INNOVATION ARCADE

A select group of innovative companies were invited to exhibit and demo their products at Mondato Summit Africa. All conference attendees had the chance to touch and feel the solutions during the coffee/tea break during the morning of the conference.

TESTIMONIALS

“This Summit was well organised and hosted at a convenient location in Maputo. The event was well attended, which was an important factor for us. We engaged with many local and international stakeholders during the event.”

– *Ian Van Rensburg • Senior Sales Manager, China Mobile International*

“We take great pride in participating in activities designed to share experiences in our areas of focus, as the Mondato Summit. The Breakfast Meeting organized by New Faces New Voices Mozambique, was an excellent effort towards bringing women together, to collaborate towards financial empowerment and inclusion.”

– *Gail Makenete • Convener & Chair, Expert Leaders Group for Women’s Financial Inclusion & Economic Recovery, Graça Machel Trust*

“I was a big beneficiary of the Summit; I really gained some exposure. I believe the presentations will bring some insights into the national payment systems strategy framework we are currently drafting.”

– *Jimmy Kaunda • Principal Analyst – Infrastructure Development, Reserve Bank of Malawi*

“The summit was quite thought provoking and an eye opener on opportunities that are abundant for the financial inclusion in the African continent, having brought together all relevant players who shared their thoughts, insights, and experiences. Having regulators participating was a big achievement as it shows the eagerness and willingness to improve the digital financial sector in the continent.”

– *Boitumelo Masoko • General Manager Consumer Sales, BTC*

“The event brought together a good mix of subject matter experts from the public and private sector within the Sub-Saharan Africa region. The topics of discussion were relevant and reflected the current DFS trends.”

– *Kennedy Kipkemboi • Senior Regulatory Specialist - Mobile Money, GSMA*

“I found the programme to have been broad enough with diversity of topics that were delivered in a participatory manner. This clearly presented an opportunity for sharing, linking, and learning.”

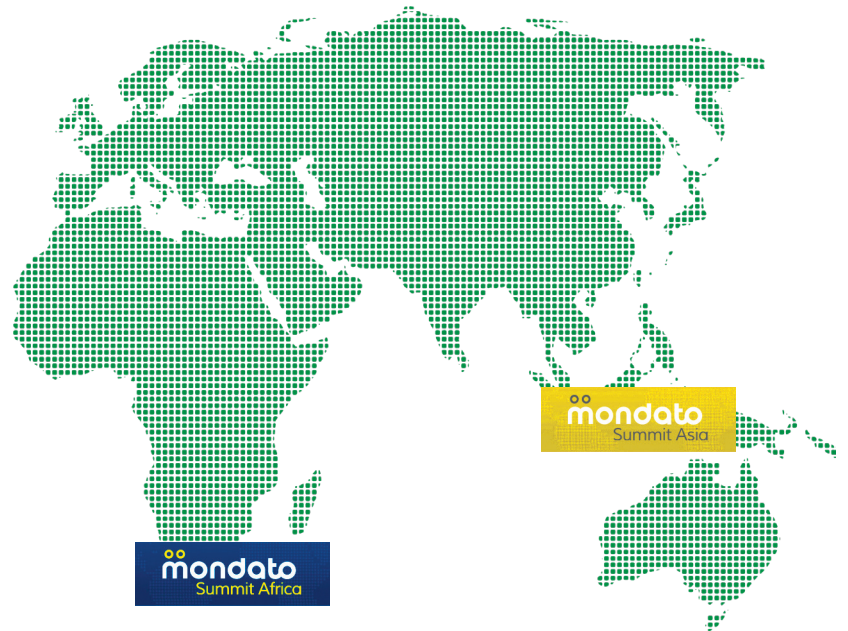

– *Engwase Mwale • Chief Executive Officer, FSD Zambia*
